Prince Charles' NEIGHBOURHOOD WATCH

What is Bullying...?

Bullying is aggressive behaviour that is typically repeated over time. It is meant to cause harm, fear or distress or create a negative environment for another person. Bullying occurs in a situation where there is a real or perceived power imbalance.

Bullying is never acceptable. It should not be considered just “part of growing up”. Research and experience consistently show that bullying is a serious issue, with far-reaching consequences for the people involved, their families and peers, and the community around them.

Any questions you may have feel free to contact your neighbourhood representative at princecharlesnw@gmail.com

Our *Big Bin Event* was a **Big Success!**

Under sunny summer skies, Prince Charles took out its long-forgotten trash - in a big way!

The first annual Community League's *Big Bin Event* took place in Prince Charles park on Saturday June 22nd. With neighbours and Community League volunteers pitching in to help one another, the large bin was filled with everything from old mattresses and broken patio furniture, to sofas and out-dated children's car seats within the event's three hours.

Connected to the event, new 2020 Community League free membership cards were issued to all participants. By every measure, the day was a success. And neighbourhood basements and garages are now a little less cluttered too... Well done Prince Charles!
