## Prince Charles' NEIGHBOURHOOD WATCH

### The warmth is coming...

Is your home a target for crime? Most criminals select their targets, Spring and summer means spending much time in our yards. The tendency is to leave our garage door open much of the time as we go about our yard maintenance duties.

Garages are a favourite target for criminals. Be sure windows are curtained so thieves can't look for items to steal or check to see if your car is there. The door between your house and attached garage should swing inward. Be solid core and have a deadbolt lock. Here are some other tips to help you keep your garage safe.

- Keep your garage locked, even when you are at home
- If the overhead garage door is roller and track operated, install a lock in the track to block the roller and disconnect your automatic garage door opener before you go on vacation
- Secure your other garage doors with deadbolts
- Install lights near your garage to keep the area lit
- Leave your headlights on until you park in the garage
- Have a remote-control garage door opener installed. This will allow you to stay in your locked car until you're inside your locked garage. Be sure the overhead door closes completely after you drive into or out of your garage
- **Never leave your automatic garage door opener in a vehicle that is parked outside your home**

The best deterrent to this type of crime is to remove the opportunity. Most of us store some very expensive tools and sporting equipment like golf clubs in our garage, and thieves like to cruise through residential neighborhoods looking for these opportunities. It takes a thief less than thirty seconds to enter your open garage and avail themselves to your belongings. Please don't become a victim; keep your garage door closed.

*Any questions you may have feel free to contact the  
neighbourhood representative at [princecharlesnw@gmail.com](mailto:princecharlesnw@gmail.com)*

*Are you missing something....?*

**Found:** A broom and a bag of goods. If you think these may be yours, please phone 780 452-7807 and leave a message describing the broom. *...we want to return them to the owner!*

# Abundant Community

Hello My Prince Charles' Neighbours,

With the warmer weather and the melting snow we tend to venture outside a little longer. Spring is a great time to reconnect with one another. This month I will be hosting two pop up block parties. The first one will be held the weekend of April 6<sup>th</sup> and 7<sup>th</sup> and the second will be held the weekend of April 27<sup>th</sup> and 28<sup>th</sup>. I will send out invitation to the lucky blocks one week before the party date. The purpose for the parties is to connect with one another at a block level. The parties will only last 2 hours. There will be a couple games and light snacks. Most important it will be a time for the neighbours on the block to get to know one another.

We are extremely fortunate to have a group of board members that have chosen to plan community events once a month. It's so great to have met many of you at the last two events. I am extremely excited to meet more of you.

Happy Spring All!

## Opportunities for you to consider...

- The Prince Charles Community League Board is purposing to replace the sand under the playground with recycled rubber for the safety of the children. We're looking for comments or feedback from you the people of the Prince Charles community; our parks committee would like to thank those who gave feedback so far on the resurfacing.

**Please continue to email us your comments** at [princenews@hotmail.com](mailto:princenews@hotmail.com)

The Prince Charles Community Leagues is looking to fill the position of **Social Events Director**:

- Our Social Events Director plans and organizes special events or activities with the support from community volunteers.

If you're interested please reach out to us on Facebook or call **Charlie Senior**,

# March's sleighride: Saying goodbye to winter with our friends.

Saturday March 9<sup>th</sup> was a golden opportunity to bid goodbye to the bitter cold weather of February with fireside festivities in Prince Charles park. Following a two week weather delay of the event, over 70 neighbours and friends shared the warmth of fires, hot chocolate, hot dogs and good cheer while enjoying sleigh rides, good conversation and the laughter of young and old alike.

The Prince Charles Community League (PCCL) hosted the event in our neighbourhood park under clear skies and a crescent moon. This is one of the **monthly events** hosted this year for the residents of Prince Charles.

Thank you to the many volunteers who helped this event be so well-attended, successful ... *and fun!* (For more fun: check out our **Family Movie night on April 13.**)
