Prince Charles Community League Events: a Year in Review

Last year there were several activities and events organized and implemented by your Prince Charles Community League. Here are some highlights from 2022:

- ❖ Capital City cleanup event where members of the community were organized to pick up trash and litter in the Park and surrounding streets and alleys. Bags and tools were supplied and City of Edmonton picked up the collected bags
- ❖ Big Bin Event with shredding. Very successful event that saw a 40-yard bin filled to capacity.
- ❖ Pot (flowers) on every Porch. Annual event held in the spring and generously sponsored by Kuhlman's greenhouse with a remarkable donation of bedding out plants. Members of the community are encouraged to bring a container to take home plant(s) for their porch. Small amount of soil was provided. Tables included information on native seeds and seeds themselves.
- ❖ Green Shack Program (City of Edmonton). This program provided supervised and organized daily events for children of the Community in a safe and controlled environment.
- ❖ Installed and serviced a portable toilet during the summer months.
- ❖ Very successful and well attended Community League Day fund raising event for Ukrainian refugee society with live entertainment including Ukrainian traditional folk singing and dancing, a rock band playing popular tunes, an excellent perogy and kubasa dinner with chips and soft drink for a very modest donation. CP Rail brought out "Little Obie", a replica of a train {ATV with trailer} with staff to operate running it up and down the street blocked off just west of the park. Many families associated with the refugee society were invited and were able to attend as well as local and federal politicians.
- ❖ Supplied labour to run AGLC sponsored Casino at West Edmonton Mall.

A Membership Moment

Did you know?

- Memberships are valid from Sept 1 to August 31 annually
- While there is a published fee, your Prince Charles Community League Board has made the decision to offer our community memberships FREE OF CHARGE since 2017. Other communities still charge for theirs.

Did you know?

- Funding for programs like our recent Big Bin and Shredding event, Green Shack, and other events are based on the number of memberships issued?

Do you know?

- If you have children in certain sports, you will require a membership to register them. Don't leave it to the last minute - no charge, no panic!
- If you are working on a project around home and need a specific tool, your Prince Charles membership gives you access to the Edmonton Tool Library where you can borrow the tools you need FREE OF CHARGE
- A community league membership gives you access to discounted and free services at City recreation centres - swimming, leisure centres, skating rinks
- Big ticket events like the Big Bin and shredding events require a membership card.

Now that you know:

- If you want to request your 22/23 membership, please provide the following information by email to pcclmembership@hotmail.com
 1. Names of adults in your household
 2. Names and birth years of any children in your household
 3. Your full address
 4. Contact phone numbers and preferred email address
 5. Number of skate tags required

You can also apply for membership through the EFCL website (at regular prices but any fees charged by EFCL are not refunded by the league)

Sidewalk Snow Removal Tips from the City of Edmonton

- ❖ Snow and freeze/thaw cycles can result in hazardous conditions on walkways and sidewalks. These conditions are a safety concern for everyone — particularly for those with limited mobility, service providers and waste collectors.
- ❖ Property owners should remove snow and ice as soon as possible, especially during days of continuous snowfall and during freeze/thaw cycles. As residents of a winter city, we need to be considerate of the impact snow-covered and icy sidewalks have on our neighbours and fellow citizens.
- ❖ **Failure to maintain your sidewalks could result in a \$100 fine plus potentially any cleanup costs.**
- ❖ Free sand is available at participating community leagues and Roadway Maintenance Yards. **Sand is available on the North side of Prince Charles Park.**
- ❖ The majority of sidewalks in Edmonton are maintained by the property owner, both individuals or businesses, adjacent to the sidewalk. The property owner must maintain the front and sides of properties on a corner. Property owners must also maintain the curb ramp, also known as a curb cut, to ensure all users can safely use the sidewalk.
- ❖ **Reminder:** Shovelling or pushing snow from sidewalks into roads or alleys violates municipal bylaws and results in a fine of \$250, contributes to unsafe driving and walking conditions, increases the cost of providing winter road maintenance and can lead to blocked storm drains.

City of Edmonton Activities

- ❖ Sundays at the Downtown Community Arena offer community league skate. The skate is free to community league members, skates are also available for those who do not own skates. For more information visit www.movelearnplay.edmonton.ca
- ❖ Visit 2 Premier City Attractions for the Price of 1! Between February 18 - March 31, 2023, Alberta residents can receive 2-for-1 admission to both the Edmonton Valley Zoo and the Muttart Conservatory. Simply purchase your admission to either facility and then show your receipt with a piece of valid Alberta identification to receive your free admission to the other facility! Your first admission can be purchased online in advance or upon arrival. Your second admission ticket will be given at the gate at the time of your visit. For more information visit www.edmonton.ca/attractions-events.
- ❖ After School Youth Programs: City of Edmonton is collaborating with not-for-profit agencies to provide youth ages 8-17 with free drop in or registered programs from 3 pm - 5:30pm. Choose from a variety of sports, cultural, social, or academic support programs. Visit www.edmonton.ca/afterschool for more details.
