at 6:30 pm.

We encourage and welcome visitors and always have room for volunteers to assist with community projects, both large and small! if you have an item to bring forward for discussion, prior notice is required so we can add it to the agenda.

UPCOMING MEETING DATES:

February 4th

March 3rd

See you there...

What's Happening in Prince Charles...

Your community league board is taking a break from hosting events for the months of January and February. During this time, we will be planning events for the rest of 2020. Our first community event will be in March 2020. Stay tuned to our [Facebook Page](#), [Website](#) and your monthly newsletter for information

If you are a community member and have something to share, email it to us and we can include in future newsletter releases

The Standard of a "Clean" Sidewalk

The expectation is that all snow and ice be cleared to the cement/asphalt for the entire width and length of the sidewalk. Sand, gravel and/or ice melt can be laid as a temporary measure while the snow and ice is being removed.

Timeframe to Clear a Sidewalk from a Snowfall

The Community Standards Bylaw #14600 does not provide a timeframe for snow removal. The bylaw states "A person shall maintain any sidewalk adjacent to land they own or occupy clear of all snow and ice". Snow and ice is to be removed from the sidewalks as quickly as possible.

HELP WANTED

We are still looking to fill a few roles within the community league board:

Secretary

Communication Director

Social Director

Director At Large

DON'T BE A TARGET

Most of us don't think about car theft prevention until it's too late. But the fact is, learning how to prevent a car theft is knowledge you need.

Park in safe areas

If you have a garage, use it! Parking your car in a locked garage adds an extra layer of security while hiding your car from prowling eyes. Some garages can also be hooked up to your home security system to further beef up your auto theft prevention plan.

- **Make it difficult to steal**
- **Lock all car doors**
- **Roll up all windows**
- **Use a steering wheel lock**
- **Install a hidden ignition cut-off system**
- **Set up an alarm**
- **Don't leave valuables in your car**

As a rule, you should never leave visible valuables in your car. Visible valuables may not necessarily make your car an easy target, but they certainly make it a desirable one.

Don't let your car fall into disrepair

Believe it or not, forgoing the upkeep of your car makes it a target for prospective thieves. A dirty or run-down car tells a thief that the driver has most likely neglected their vehicle, making it more likely to be an easy steal. A properly washed and cleaned car signals that the driver cares about their automotive investment and is more likely to have taken auto theft prevention measures.

Drivers know that a car is more than just a mode of transportation. For many drivers, a car is a prized possession, and an integral part of their lives. Any questions you may have feel free to contact Tracy, your neighbourhood representative at princecharlesnw@gmail.com

WANTED

Your community League is in dire need of a volunteer for the position of Secretary

This role is a very important one and should be taken by someone who has the skills and commitment needed.

Skills required include listening, writing, accurate recording,

understanding the information, checking for accuracy.

Responsibilities include

- Prepare the agenda for the next meeting. This usually happens after information is gathered from all members about what they want.
- Formal and accurate records are kept of what is discussed and decided at each of the meetings. This is referred to as taking the 'minutes'.
- The mail for the Club comes to the secretary who then passes it to the other members or takes it to the meetings to be 'tabled'
- Records of the Club need to be kept. This could include a list of all the members, previous committee members, previous decisions that have been made. Any correspondence that has been received that gives information or is related to important decisions is also kept. Important historical records may also be kept and held in a safe place by the secretary.

We would like to thank all that came out to our community sleigh ride! The weather was nice, and the turnout was great! To everyone that contributed to the Food Bank a big Thank-You **we donated 50 lbs of food.**

Prince Charles Community Park Resurfacing: update

Hello Everyone,
 Just an update for the park! The survey we sent out about the playground had an overwhelming vote for the rubber! We are still going forward and working with the city for approval. More information to follow.

Thank you,

The Park Committee
